

ASEAN Regional Mine Action Center

Call For Internship & Volunteer Expressions of Interest

ABOUT ARMAC

The ASEAN Regional Mine Action Center (ARMAC) was established following the ASEAN Leaders' Statement on the Establishment of an ASEAN Regional Mine Action Center, adopted on 18 November 2012. ARMAC commenced its operations in 2017 as an intergovernmental body under ASEAN, serving as a regional centre of excellence to address the humanitarian impact of landmines, explosive remnants of war, and other explosive ordnance (EO) for interested ASEAN Member States (AMS).

ARMAC works closely with ASEAN Member States, the ASEAN Secretariat, dialogue partners, and international and regional stakeholders to promote regional cooperation, knowledge sharing, capacity development, and policy dialogue in humanitarian mine action and victim assistance. Through its programmes and initiatives, ARMAC supports national efforts to enhance safety, resilience, and sustainable development in mine/EO-affected communities across the region.

More information on ARMAC is available at: <https://aseanmineaction.org/>

CONTRIBUTE. LEARN. SUPPORT REGIONAL HUMANITARIAN MINE ACTION IN ASEAN

The ASEAN Regional Mine Action Center (ARMAC) welcomes expressions of interest from individuals who wish to contribute to and gain exposure in regional cooperation, humanitarian mine action, victim assistance, and related areas.

Internship and volunteer engagements with ARMAC are open on a rolling and ad-hoc basis, subject to organisational needs and supervisory capacity. These opportunities are intended for learning, professional exposure, and voluntary contribution, and do not constitute employment with ARMAC.

Individuals interested in ARMAC's work are invited to complete the Internship / Volunteer Expression of Interest (EOI) Form, which allows applicants to indicate their areas of interest and availability, and submit it together with a CV (maximum 2 pages).

ARMAC will contact individuals only if and when a relevant opportunity arises. Please note that submission of an expression of interest does not guarantee placement or engagement.
